## News from Capri Community, Inc. December, 2010 Issue

- Editor: Ann Hall ahall7911@comcast.net

### Greetings from Ted:

*Hello fellow Capriers,*

*Thank heavens for another quiet hurricane season! The December cool down has begun. Hopefully, we'll have a warmer January and February than last year.*

*Our December activities have started. Our annual IOC Boat Parade (on Dec. 11th) is always a special event. Thank you, Chuck and Ginny Walton, for organizing and running this event. Our Holiday Party will be held on Tuesday, December 14th at 6PM. Please bring a present (\$10) for the White Elephant exchange. Finger food, soda, and bottled water will be provided by CCI. As usual, BYOB and an appetizer or dessert to the party. If you can help us set up, please be there at 4 p.m.*

*Don't forget to register for the 24th Annual Isles of Capri Yard Sale on Saturday, January 29, 2011. Forms are included in this newsletter, and they are also available at the Community Center and on line at the CCI site. All registrations forms must be in by January 22, 2011. Collier County requires the names of all participants before issuing a yard sale permit. Prompt registration will assure your participation.*

*It's time again to pay your CCI dues. Thanks to all who have already paid, some of whom made donations to the Palm Tree Fund as well. We are grateful to all who give their support through their dues and donations. We had 406 members in 2010. Great job, Rich Downs! Hopefully, we will have more members this year.*

*A copy of our Proposed Budget Summary is included in this Island Voice. We will be passing a 2011 budget and electing new members of the Board of Directors at our January meeting. Also, we will announce the prize winners of the holiday lighting contest and the CCI Boat Parade.*

*We are in dire need of volunteers for our Board of Directors positions. Please call me for information if you are interested (Ted @394-6300). Your help is needed to keep this organization running smoothly.*

*Thank you again to Ann and Eddie Hall for their ongoing work on the PET committee. We all can help them by removing palm fronds which have fallen along Capri Boulevard, and by bagging litter when we see it.*

*Looking forward to seeing you at our events and meetings.*

*Ted*
